Omission of the numbers of important offices from Delhi Telephone Directory

3536. SHRI K. M. KHAN: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether the Delhi Telephone Directory 1994 contains telephone numbers of subscribers as on 1st June, 1994;

(b) if so, the total number of copies printed, with the timeconsumed in compilation and printing;

(c) whether some earning have been made from advertisements;

(d) if so, the details thereof, with the total amount spent on printing of all copies;

(e) whether the Directory does not contain new telephone number of Regional Passport Office shifted to R. K. Puram area on the 14th March, 1994 and does not contain several numbers of offices of DESU, Transport Offices of Delhi Government, ITOs and other sections working in CGM, GMs and Telephone Exchange offices; and

(f) if so, the reasons for such omissions, despite spending huge amount and time on the printing?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) No, Sir. The Delhi Telephone Directory 1994 issue is corrected upto 31-3-94 (upto 28-2-94 for Government Departments).

(b) The total number of copies printed is 5.48 lakhs and the compilation and printing has consumed 9 months.

(c) Yes, by way of royalties.

(d) The Telephone Directory in MTNL Delhi is published alongwith yellow pages through contractors to whom no payments are made. The contractors are allowed to retain advertisement charges collected by them and they pay a pre-fixed royalty to thhe MTNL. Rs. 330,02.09,000 is payable by the present contractor to MTNL as royalty as per agreement for five consecutive issue from 1994.

(e) and (f) Yes, Sir. As the entries relating to Government Departments are corrected only upto 28-2-94, the telephone number Regional Passport Office shifted on 14-3-94 to R. K. Puram and the other changes made after 28-2-94 in respect of other Government Departments are not contained in the Delhi Telephtne Directory, 1994 issue.

As regards telephone numbers of MTNL officers are concerned only numbers working with officers of the rank of mainly AE and above are included in the blue pages. However, telepone numbers, fault repair service supervisors which are of interest to public, are included in the information pages of directory.

STD/ISD facilities in Rajasthan

3537. SHRI RAMDAS AGARWAL: Will the Minister of COMMUNICATIONS be pleased to state:

(a) how many cities in Rajasthan are at present accessible on STD, indicating the total number of stations how covered as well on the ISD, the total number of countries accessible as on date and the future programme of expansion for both STD and ISD during 1995-97 in the State:

(b) what is the present position of availability of Public telephones, STD Pay Phones in Jaipur, besides new Telecom Centres providing various telecom facilities including STD/ISD, telex and fax facilities under one roof, as in Delhi, and

(c) whether any record of standing grievance kept or Telephone Adalats available in major cities of Rajasthan for redressal of public complaints; if so, the number of meetings held/pending cases (city-wise) as on 31st March, 1995?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) A total number of 432 stations including cities in Rajasthan are at present accessible on STD as well as on ISD. 237 countries are available on ISD as on date. All telephone exchanges are proposed to be provided with STD/ISD facility by 1996-97.

(b) At present, in Jaipur there are 1269 STD Payphohnes and 865 Coin operated local pay Phones. Besides, there are 10 telecom centres providing various telecom facilities including STD/ISD. Telex and FAX under one roof.

(c) Yes, Sir. A total of 13 adalats were arranged at Jaipur (7), Jodhpur (5) and Ajmer (1). Only eight cases out of
